TIME MACHINE

The following notes have been [illegible] to help [illegible] experiencing difficulty [illegible] 'The Time Machine'.

It must be stressed [illegible] direct answers [illegible] be given here. [illegible]

The [illegible] three sections, each section has [illegible] to separate them [illegible]

From [illegible] to the [illegible]

[illegible] you [illegible] the [illegible] place [illegible] [illegible] your [illegible] you may be able to [illegible] the way to go!

Have you [illegible]? Maybe there [illegible] you may have to get in through [illegible]

Now that you [illegible] you might [illegible] The [illegible] everything [illegible] Key [illegible] somewhere?

Be careful [illegible] You may [illegible] later.

[illegible] later up in [illegible] [illegible] something [illegible] [illegible] find out.

[illegible] very [illegible] before [illegible] [illegible]

A [illegible] hang [illegible] there!

[illegible] This [illegible]

[illegible] I'd better [illegible]

I don't really [illegible] Maybe [illegible] should!

From [illegible] the [illegible]

[illegible] a [illegible]

[illegible] my Flash light

[illegible] good idea.... The only [illegible] is that [illegible] stay [illegible] back [illegible]

[illegible] is hungry too.

[illegible] could just climb something [illegible] advantage.

[illegible] a [illegible] useful.

From the [illegible] to [illegible]

[illegible] all the [illegible]

[illegible] by pressing [illegible] and [illegible]

[illegible] the [illegible] that is!

[illegible] to protect [illegible]

[illegible]
